February 2012

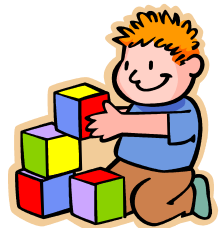

Welcome to St. Bart's Children's and Youth Ministries.

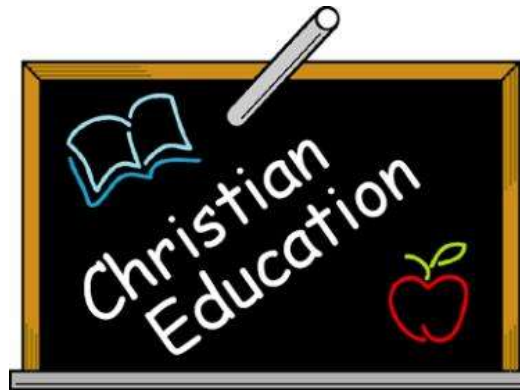

Thank you to our children for a great Epiphany pageant. You all did a super job! Thank you also to the congregation for lending your voices in song!

Children under the age of 6 are welcome to spend the beginning of the 10:30 am service with a caring adult in the Room to Grow classroom while mom and dad enjoy the service. The children will be entertained with age appropriate toys and a small snack then return to their parents during the Peace to get communion with their families.

Children and youth in grades 1 through 6 are welcome to Sunday school in the Parish Hall during the 10:30 am Service. We have entered a new church year, YEAR B and will follow the gospel lessons appointed for this year. We will be looking at the Gospel according to Mark.

Youth Ministry

HEY TWEENS and TEENS!!!! Let's get the St. Bart's Youth Group up and running again. We need your input as to a good time for getting together. Youth in grades 5 and up are encouraged to participate and lend you voice to the planning of meetings, events and activities. Would the third Sunday afternoon of each month work to start with? What time? 5 to 6pm? Email Abigail Plemmons (doctorabbypcbiz@yahoo.com) and let your voice be heard!

First meeting will be February 19, 2012 at 5pm in the Parish Hall. We will do some planning, some bible games and have some snacks. Please RSVP to Abigail Plemmons if you can come. The more the merrier!
