- Showers
- Winter Shelter

There are numerous reasons for being homeless or needing public assistance. It may only take one for it to become a reality.

For those of us who do not face this widespread problem, the best way to help is to donate our time and money to those organizations with resources to help.

This pamphlet contains a listing and a map of organizations ready to help local people in need. The chart inside shows where and when these services are available.

Livermore Homeless Refuge

The Livermore Homeless Refuge is open at select locations during the winter months when it is predicted to be 20% chance of rain or when the temperature is below 45° degrees.
